

Stanford Junior & Infant School

Newsletter - Wednesday 28th June 2017

Phonics

Well done to the Year 1's for their hard work during the year and in the Phonics Screening. Mrs Brady is currently organising a fun day as a reward.

Curriculum Normanby Hall Trip

Year 3 and 4 pupils enjoyed a trip to Normanby Hall. This included learning about Victorian 'wash day blues' and the comparisons between modern education and a Victorian classroom. The pupils impressed the staff with their focus and enjoyment.

Juniper Class Assembly was a joy - pupils were proud to show their learning which included intricate William Morris designs, Victorian songs and a Victorian classroom role play.

Fundraising

Well done Alice (year 6 pupil) - she organised to have her hair cut in a special assembly to show her support for the Little Princess Trust. So far, Alice has raised £440.

We are impressed with Noah, Ashton, Ceyhan, Jake and Harry who organised a fund raising event outside of school to support funds for Teenage Cancer Trust - they raised £275.

SMSC Safety

Our regular 'Road Safety Sticker Days' continue to go well and increased from 177/233 pupils to 207/233 pupils choosing to walk, bike or scoot to school. Thanks for your support. Not only does it help reduce traffic congestion but shows Stanford encourage healthy lifestyles choices.

Year 5 and 6 pupils are currently benefiting from 'Resilience and Relationship' work with James Steer from NELC. The pupils have learnt more about drug awareness, internet safety and healthy lifestyle work.

SMSC - Community

Pupils, parents and community members came together on Friday 16th June at our 'Great Get Together' event - this was part of the national events in memory of Jo Cox. Recent tragic events have also reminded us about her important message that 'there is more that unites us than divides us.' Pupils shared their learning with the visitors and refreshments were served. Thank you to those who supported the event - one guest said, 'A great event for a worthwhile cause. It was lovely to see the children, parents and community coming together.'

We raised £109.79 for the Manchester Emergency Fund.

SMSC - Values

We are proud of the thoughtfulness and maturity our pupils show in and around school. Pupils have been working with Mrs Cawley, Learning Mentor to discuss their reflections about, 'Sharing.'

Sharing means if two people want the same thing - both people can use it or play with it. We can talk and make a plan to share it makes me feel happy as 'sharing is caring.' (Jasmin)

You share by taking turns, I feel happy and my friends feel happy. (George)

Lifestyle

Year 5 and 6 joined the assembly about the Lifestyle Project run by Humberside Police. Many groups have brilliant ideas for the summer.

RE

Thank you to Janette from the Grimsby Mosque who visited year 5 and 6 to educate them about the Muslim faith as part of our RE curriculum. Year 3 and 4 are looking forward to their trip to the Mosque shortly.

Seedlings Class Assembly

The pupils performed very well- they informed the audience all about their learning about animals. The pupils used loud, clear voices and shared their poems, art work and songs. Well done. Thanks too to parents and carers for supporting the event.

Founder's Day

All members of the community enjoyed our special annual event when we remember Sarah and Philip Stanford who laid the foundations for our school. Thank you to the Stanford Trust for the tea and for sharing information about our school's heritage with the pupils.

Football Team

Well done to the team - excellent skills and strategy were seen in the Gradley Cup Final - Humberston C of E won 3.2 in the end. Our team showed sportsmanship and received their awards with pride. Thanks to the parents who supported the event and Mr Hawkins for leading the team.

Maths Challenge

Impressive maths skills were shown by our Maths Challenge Team who did very well - Abie, Jake, Billy and Harrison - they got through to the Final that was eventually won by Waltham Leas. Thank you to the parents who supported this event and to Mrs Smith for organising the trip.

SRE

All classes worked with Big Talk Education last week as part of our SRE curriculum. All the pupils were complimented for their excellent behaviour and for asking sensible and important questions.

Community Funding

Many thanks to the PTFA who donated a massive £2346.42 as their final donation. We have used £200 to improve playground equipment and purchase ice lollies for our up and coming sports day.

Thank you to Mr Gohill at the One Stop, Laceby for donating bottled water for each pupil for sports day. Thanks to St James Rotary for their £100 donation towards our 'Friendship Graffiti Art' project. We are looking forward to working again with Zoe from Firefly's in the village to further improve the playground facilities. Thank you to Sunflower class for writing the letters to the Rotary group.

Thank you to the Stanford Trust for their donation towards the digital screen on the large playground.

The board will ensure continued positive communication with home and provide a digital way to showcase the excellent learning we do and include video clips about our Philosophy for Education focus on mental health and internet safety produced by our pupils.

Vouchers

Thank you to those who kindly donated Sainsbury's vouchers. They have now been counted and used to order play equipment which we hope to receive very soon.

New Governor

We welcome Mrs Tatler to the Full Governing Body as Local Authority Governor and look forward to working with her.

Road Safety

Please do not reverse in the gate area either - we have helpful signs on the gate to remind drivers. Polite reminder: - Please have consideration for other drivers and local residents. Please do not park over drives.

Reporting incidents: Please contact the police on 101 Civic parking enforcement on 01472 326290 option 2 or email: carparkingissues@nelincs.gov.uk
