

Year 2 Newsletter Spring Term 2025

Dear Parents and Carers,

We hope you have had a lovely Christmas break with your family and friends.

We would like to invite you to come to the Year 2 Learning Share on Wednesday 26th March at 9.30 am in the school hall. Please find details about our Hook Day and other news for the new term below.

Best wishes and have a very Happy New Year,

From, Mrs. Brady and Mrs. Shaw

Curriculum

We have a very exciting curriculum planned for this term. The highlights will be: learning about the history of communication where we will create a museum of old telephones, reading exciting stories like 'The Emperor's Egg', 'Look Up' and 'Zeraffa Giraffa' and learning about a wide variety of animals in Science. Please see the curriculum plan for more details. **Newsflash: We will be having a journey into space Hook Day on Friday 10th January. We will be going into space, finding out lots of interesting facts, creating space art and composing space music. The children can dress up if they wish as astronauts, aliens or wear clothes with stars or planets on or simply just dress in black. They can also bring in any space toys, games or books to share on the day too.**

Home Learning

Reading Please read reading books at least three times or more at home each week and tell us about it in your diary.

Spelling Your child can improve their spelling by playing the games on Spelling Shed.

Maths Please help your child learn and chant their 2,3, 5 and 10 times tables. There are lots of songs on YouTube that they can join in with.

Home Learning: Please hand in home learning books every Thursday morning.

Further info

- **PE:** Please ensure your child has their full PE kit (all items named please) in school every day.
- **Water bottles:** Please encourage your child to bring fresh water to drink every day.

Look out for...

- Star of the Day certificates, special stickers and updates on Facebook and Pumpkin and Daisy blogs.
