

**Ipod App Guide**  
**(updated September 2014)**

<b>Folder</b>	<b>App name</b>	<b>Main focus / use</b>
<b>Maths</b>	Percy Parker	Learn times tables by singing along to Percy's catchy songs.
	Pizza 1	Fraction game. Can children look at the pizza and choose the correct fraction which is showing. Best for KS1 / lower KS2.
	Banana hunt	Angles game. Can children set the monkey to the correct angle to find the bananas? Better for upper KS2 as it only works with a 360degree circle.
	Telling time game	Can children touch the correct clock face when app reads out a time? Simple, perhaps best for beginners.
	Jungle time	Much more advanced than above app. Children can tell the time of given clock, move hands on the clock to the time which is given or follow a variety of lessons/ tutorials. In the settings you can change the level from 1 to 5 and switch on or off the 24hour clock.
	Units	Conversion software for length, volume, temperature etc.
<b>4 operati ons ( + - x divide)</b>	+ bubbles x	+ and x focus. Race against the clock to pop the bubbles to find addition totals or multiplication products.
	Fishy no.s	+ focus. Uses pyramid addition to find the final answer on the tail of the fish. Can choose nos. to add between 1 and 50 and use whole nos. and 1d.p. and 2d.p. nos. Good for mental addition or addition with jottings.
	Hickory Divide	Divide focus. Can choose divide by 2,3,4,5,6,7,8,9,10,11,12 or mixed and beginner, intermediate or expert mode. As questions are answered correctly Hickory rises up the screen, but will lower if it takes too long to answer the qu.
	Math Bingo	+ - X and divide focus. 3 levels to choose from. Can children select the correct answers to questions and select the answer on the bingo board?
	Monty's quest	X focus. Can choose x2,3,4,5,6,7,8,9,10,11,12 or mixed and beginner, intermediate or expert mode. As questions are answered correctly Monty climbs up the hill towards the cheese, but will slip back if it takes too long to answer the qu.
	Percy Parker	X focus. Choose x2,3,4,5,6,7,8,9,10,11,12. Cartoon video and songs for all of the Xtables with words for the children to read and sing along to.
	Basic Math	+ - X and divide focus. Chose one of 3 answers to the qu. displayed on the screen.
	Eggs on legs	+ - X and divide focus. 3 levels. Answer the qus. On the screen to crack the eggs. How long will it take to crack 10 eggs?
	Wipeout	X focus. Choose x2,3,4,5,6,7,8,9,10,11,12. Pop any balloon on the screen which is a multiple of the X table selected. Times how long it takes to spot all of the multiples. Time penalties for popping an incorrect balloon.
	Ghostbusters	X focus. Similar to above. Splat the multiples of the chosen X table as many times as possible as they appear on the screen. -10 points for splatting an incorrect ghost. Times how long it takes to score 100 points.
	Multiples	X and divide focus. Times how long it takes to answer the 10 questions.
	SqueeblesTT	X focus. Choose x2,3,4,5,6,7,8,9,10,11,12. Fill in the gaps with the answers to x questions. Also an option for mixed x tables test.
	SqueeblesDV	Divide focus. Choose from 2 levels. Level 1 = 2,3,5,10,11. Level 2 = 4,6,7,8,9,12.
	I say, you say	Practice no. bonds to 10, 20, 50 or 100.
	Multiply wiz	X focus. Quick fire X table qu's
	Math splat	+ - X and divide focus. Choose from 3 difficulty levels and splat the correct answer. Times how long it takes for 21 qu's.
